

Established in 2013, ATS+Partners is a minority and woman-owned consulting firm. We transform forward-thinking businesses into vibrant, sustainable, people-oriented, technology-driven ecosystems.

As our clients grow and evolve, our organizational development and IT transformation solutions help them to navigate changes in their people resources, processes, and systems.

Our clients include educational, social, governmental, and corporate entities, and we deliver measurable results through targeted alignment between organizational needs and staff competencies.

OUR CLIENTS

WE BUILD ORGANIZATIONS  
*differently.*

KEY DIFFERENTIATORS

- Sustainable solutions crafted to achieve long-term results
- DCAA-approved accounting system, secured by government-compliant financial software and workflow
- Flexibility to adapt to your organization’s vision, goals and culture
- Multi-industry experience with a repository of talented and diverse team members
- Competitive tiered pricing to accommodate all budgets
- A strong reputation for providing exceptional customer service

PAST PERFORMANCE

GOVERNMENT OUTREACH

- Awarded a subcontract by Windsor Group LLC on \$30+ million U.S. Department of Agriculture (USDA) project.
- Successfully conducted outreach and raised awareness of the Discrimination Assistance Financial Assistance Program (DFAP) to farmers and agricultural communities across seven states.

EDUCATION MARKETING

- Partnered with Fordham University as a subcontractor on a 5-year contract with the NYS Education Department.
- Provided marketing and digital engagement services to public schools participating in the Community Schools Initiative throughout NYC and surrounding areas.
- The contract was successfully renewed for an additional five years in 2023.

TALENT ACQUISITION

- Secured multiple government awards and commercial contracts for permanent placement and temporary staffing services.
- Successfully placed hundreds of professionals in organizations including Peer Health Exchange, Equitable Facilities Fund, and the L.A. Unified School District.
